HEPATITIS B

Hepatitis B/Sabatta waqqa

IRRAA AKKAMITTIAKKA ILMOO KE ITTIIFTU
How to Protect Your Baby

*Nama dhukkuba tiruu qabaatee ofitti hin beeyne
tahuun ke nimala! garuu amma tarkaanfi
fudhachuun akka ilmoon ke dhukkubni kuni
hinqabne godhuu ni dendeeysa. Tarkaanfi hin
barbaachisne en Haala gaaga'a kana ofitti fudhate
akka ilmoon ke tura keessa dhukkuba dawaa hin
qabne kanaan dhibamu hin godhin.*

Dhukkubni hepatitis B kuni maali?

Hepatitis B kuni dhukkuba cimaa kan tiruu nama iteeyesu. Vaayrasi hepatitis B ja'amu kan haadharraa gara ilmoo amma haarawa dhalate ykn yeroo dhalootaa dabru.

Haali nama hepatitis B kana qaburratti mul'atu maali?

Haala mul'atu keessaa nyaata nyaachu barbaadu dhabu, dadhabu, haqisuu ykn loloocci, dhukkuba shinbiroo (gogaa fi ija kan boora godhu), fincaan guraacha. Haatahu malee, namootni dhukkubni kuni isaan qabe gariin haala tokkolle garsiisu ykn dhukkubsachu ykn dhukkubsataa fakkaachu dhabuun ni mala. Namootni tokko tokko ji'oota xinnaa keessati fayyani ittisa qaamaa akka lammada dhukkubni kuni isaan hinqabne qabaachuun ni mala. Gariin ammoo virusi kana qaamatti yeroo dheeraaf ykn umrii dhaaf qabachuun ni mala.

Ilmoon kiyya yo dhukkuba kanaan qabame maaliin godha?

Ilmaan dhukkubni kuni qabe hedduun haala dhukkuba kana garsiisu hin qaban. Haatahu male, dhukkuba hepatitis B kana qabaachuun ni mala. Namootni dhukkuba kana qaban dhukkuba tiruu inni cimaan kanneen akka cirrhosis fi Kaansariin (cancer) joolummaan ykn umrii boodaatti qabaachuun ni mala.

Dhukkubni natti dhagayamuu baatulle hepatitis B kana ilmoo kiyyatti dabarsuu niin dendaya?

Eeni, dubartiin ulfaa kan dhukkuba kana qabdu dhukkuba kana gara ilmoo isii dabarsuu ni dendeysi. Kuni yeroo heddu kan tahu yeroo tartiiba dahuumsa ti. Ilmoon dhalate yeroo haadhaatti maxxante virusi bishaan haadhaa tiin dhukkuba kana qabachuun ni nala.

Akkamitiin ilmoo kiyyaaf ittisa godha?

Dooktora keetiin dhiiga of laalchisi. Yo hepatitis biidhaan qabamte, ilmoon ke marfee hepatitis B ykn talaala dhukkuba tiruu walitti aansuun kennamaaf. Ilmoon ke dhalootarraa irraa dhoorgama Globulin (HBIG) ja'amu fi marfee hepatitis B tu kennamaaf, sana booda ganna ykn amata jaha otuu hin gehin yeroo lamaaf marfeen hepatitis B kenuutu barbaachisa. Yo marfeen kanneen tokkolleen hin fudhatamiin ykn irra dabrame ilmoon ke itti barbaachisu hin qabu. Ilmoon ke akka talaala ykn marfee hunda yeroon akka argatu godhuun sirraa baa'ee barbaachisa.

Akkamittiin warra kiyya kan biroo ittisa?

Qajeelfama duubbe xalayaa tanarra jiru hordofi. Ammaas, miseensootni warra ketii hundi dooktora bira dhaqanii oflaalchisu fi talaala ykn marfee hepatitis B fudhachu tu irra jira.

Dear Colleague,

The Washington State Department of Health (DOH) is pleased to provide camera-ready art for printing this educational material. To ensure that the original quality of the piece is maintained, please read and follow the instructions below and the specifications included for professional printing.

- **Use the latest version.** DOH materials are developed using the most current information available, are checked for clinical accuracy, and are field tested with the intended audience to ensure they are clear and readable. DOH programs make periodic revisions to educational materials, so please check this web site to be sure you have the latest version. DOH assumes no responsibility for the use of this material or for any errors or omissions.
- **Do not alter.** We are providing this artwork with the understanding that it will be printed without alterations and copies will be free to the public. Do not edit the text or use illustrations or photographs for other purposes without first contacting us. Please do not alter or remove the DOH logo, publication number or revision date. If you want to use a part of this publication for other purposes, contact the Office of Health Promotion first.
- **For quality reproduction:** Low resolution PDF files are intended for black and white or color desktop printers. They work best if you are making only one or two copies. High resolution PDF files are intended for reproducing large quantities and are set up for use by professional offset print shops. The high resolution files also include detailed printing specifications. Please match them as closely as possible and insist on the best possible quality for all reproductions.

If you have questions, contact:
Office of Health Promotion
P.O. Box 47833 Olympia, WA 98504-7833
(360) 236-3736

Sincerely,
Health Education Resource Exchange Web Team
